The 100% Internship Guarantee Course at 3Skill is a unique career-building opportunity designed to provide complete skill development and guaranteed internship placements. We focus on delivering hands-on training in trending domains such as Web Development, AI/ML, Data Science, Digital Marketing, and more.

Terms and Conditions for Refund

1. A minimum of 75% class attendance is mandatory.
2. Students must complete all assigned projects and evaluations sincerely.
3. Regular participation in mentor sessions and evaluations is required.
4. Refund eligibility will be void if academic dishonesty or misconduct is found.
5. A student must apply for a refund within 30 days of course completion if placement is not provided.

Mentorship by IIT Experts

Each student will be mentored by experienced professionals and IIT alumni. These mentors will guide learners through real-world projects, provide resume feedback, and help in building industry-standard portfolios.

3-Month Interview Preparation Program

Post completion of the course, students get an extra 3 months of interview preparation support. This includes mock interviews, HR and technical rounds, resume workshops, and personal branding guidance.

Certification and Career Support

Upon successful completion of the course, students will receive a recognized Skill-Building Certification from 3Skill. This helps boost their employability and credibility in the job market. We also provide job referrals and internship listings through our career support team.
