

3Skill Interview Preparation Course

Course Overview

The 3Skill Interview Preparation Course is specially designed to help students and professionals crack job interviews with confidence. Our structured curriculum includes HR and technical interview training, mock interviews, resume building, and communication skill enhancement.

What's Included

- 1-on-1 mock interviews with IIT/NIT mentors
- Daily practice questions and personalized feedback
- Soft skills and behavioral training
- Resume and LinkedIn profile review
- Guidance for both tech and non-tech interviews

Course Duration

The course runs for 3 months with flexible timing options for working professionals and students. Extra support is provided in the final month including 24x7 mentor chat support.

Certification

Upon successful completion of the course, students will receive a verified 3Skill Certificate. This certificate can be added to resumes, LinkedIn, and shared with employers.

Mentor Team

You will be mentored by experienced professionals and alumni from top IITs and NITs working in companies like Google, Amazon, and Infosys.
